

Native Plants for Pollinators - Growing Requirements

(* indicates butterfly host plant)

☀️ SUNNY, DRY-WELL-DRAINED SOIL (drought tolerant)

Allegheny Stonecrop	Compass Plant	Purple Love grass*
Anise Hyssop	Coral Honeysuckle (L. sempervirens)*	Purple Prairie Clover*
Aromatic Aster	Coreopsis (Lanceleaf, Threadleaf,	Pussytoes*
Aromatic Sumac (Grow Lo)*	Mouse-eared)	Rattlesnake Master
Beardtongue	Coneflowers (Pale, Purple, Tennessee)	Redbud
Beebalm, Bradbury's, Spotted	Cup Plant	Rosinweed
Black-eyed Susan	Gaura (Beeblossom)	Royal Catchfly
Black Cherry*	Giant Coneflower	Sunflower (Maximilian, Downy)*
Blazing Star (Liatris)	Golden St. John's Wort	Serviceberry
Blue Baptisia*	Goldenrod (many species)	Smooth Aster
Blue Sage	Maples*	Stoke's Aster
Bristly Aster	Passionflower Vine*	Switch grass*
Butterfly Milkweed*	Pink Muhlygrass	Washington Hawthorn*
Common Milkweed*	Poppy Mallow	Yellow Honeysuckle (L. flava)*

☀️💧 SUNNY AREAS, AVERAGE-MOIST SOIL (good rain garden choices)

Aster (New England, Smooth, Stokes)*	Great Blue Lobelia	Phlox (Garden, Prairie, Creeping, Moss)
Bee Balm	Indigo Bush	Rattlesnake Master
Black Cherry*	Inkberry Holly	Rose Mallow*
Blueberries*	Ironweed	Scarlet Mallow*
Blue Vervain	Joe Pyeweed	Serviceberry*
Boneset	Inkberry Holly	Southern Bush Honeysuckle
Buttonbush	Maples*	Sunflower (Narrowleaf, Sawtooth)*
Cardinal Flower	Milkweed, Swamp*	Sweet Black-eyed Susan
Chokeberry (Red, Black)	Mohr's Rosinweed	Tulip Poplar*
Common Milkweed*	Ninebark	Turk's Cap Lily
Coneflowers (Cutleaf, Purple, Pale)	Ohio Spiderwort	Virginia Sweetspire
Coreopsis (Lanceleaf, Mouse-eared)	Orange Coneflower (Black-eyed Susan)	Wild Quinine
Culver's Root	Passionflower Vine*	Winterberry Holly
Elderberry*	Pepperbush (Clethra)	Winterthur Viburnum*
Fothergilla		

☁️💧 PART-SHADE, MOIST-AVERAGE SOIL (good rain garden choices)

Alumroot	Black Cherry*	Coreopsis, Lanceleaf
American Plum*	Bluestar (Arkansas, Eastern)	Cutleaf Coneflower
Anise Hyssop	Blue Sage	Devil's Walking Stick
Aster (Calico, New England, Smooth)*	Blue Vervain	Dogwoods (Silky, Drummond's, Flowering)*
Azalea (Flame, Sweet, Smooth, Pinxterbloom, Plumleaf)	Boneset	Elderberry*
Beardtongue (White, Gray, Calico)	Bottlebrush Buckeye	Fothergilla "Mount Airy"
Beautyberry	Buttonbush	Fringe Tree
Beebalm	Cardinal Flower	Golden Alexander*
	Chokeberry (Red, Black)	

Native Plants for Pollinators Growing Requirements

☞ PART-SHADE, MOIST-AVERAGE SOIL (good rain garden choices) continued

Golden St. John's wort
Great Blue Lobelia
Hop Tree (Wafer Ash)*
Hydrangea
Indigobush*
Ironweed
Joe Pyeweed
Maples*
Mapleleaf Viburnum*
Mistflower
Mountain Mint (Narrowleaf, Hoary)
New Jersey Tea*

Ninebark
Ohio Spiderwort
Pepperbush (Clethra)
Red Mulberry*
Red Buckeye
Redbud
Sassafras*
Scarlet Mallow
Serviceberry*
Southern Bush Honeysuckle
Stoke's Aster
Sunflower, Narrowleaf*

Swamp Azalea (R. viscosum)
Sweet Black-eyed Susan
Sweet Goldenrod
Sweetbay Magnolia*
Sweetshrub
Tulip Poplar*
Turk's Cap Lily
Violets*
Virginia Sweetspire
Wild Geranium
Winterberry Holly
Woodland Stonecrop

● SHADY AREAS, WELL-DRAINED SOIL (DRY)

Alumroot
Azalea, Flame
American Hazelnut
Azalea (Flame, Sweet)
Black Cherry*
Bleeding Hearts
Bloodroot
Catawba Rhododendron
Climbing Hydrangea

Coralberry
Eastern Red Columbine
Maples*
Mayapple
Mountain Mints
Partridgeberry
Pussytoes*
Sassafras*
Serviceberry*

Skullcap
Spicebush*
Sweet Goldenrod (S. odora)
Sweetshrub
Violets*
Wild Blueberry*
Wood Poppy (Celandine)
Woodland Phlox

● PART-SHADE, MOIST-AVERAGE SOIL

Azalea (Smooth, Sweet, Swamp)
Beautyberry
Black Cohosh
Bleeding Hearts
Bloodroot
Bottlebrush Buckeye
Climbing Hydrangea
Dwarf Crested Iris
Eastern Red Columbine
Foamflower
Frostweed
Great Blue Lobelia
Hearts-a-bustin'
Indian Pink

Jacob's Ladder
Mapleleaf Viburnum*
Mayapple
Mistflower
Mountain Mints
Oakleaf Hydrangea
Partridgeberry
Pawpaw*
Pepperbush (Clethra)
Pipsissewa
Pipevine*
Poverty Oats*
Red Buckeye
Red Mulberry*

Serviceberry*
Shooting Star
Spicebush
Sweetshrub
Trillium (sp)
Violets*
Wild Ginger
Wild Blueberry*
Wild Geranium
Wood Poppy (Celandine)
Wood Aster
Woodland Phlox
